

HEMIE EMBROIDERY is your one-stop machine embroidery center. We operate our own equipment and total production lines over 20 heads embroidery machine. We control the quality and timeliness of our work through the entire process, from sourcing the product to be embroidered to the digitizing and embroidery of your logo or name, to ensure the highest quality finished embroidered product.

We have been in embroidery business since 2003. Our company had its modest beginning in the shopping mall, with a one single head embroidery machine. Today we have grown to a production line with 20 heads and over 10 dynamic employees. We are the embroidery specialty in Malaysia.

HEMIE EMBROIDERY provide specialized service in printing and embroidery on T-shirt, caps, jackets and non-woven products. Our process of fabric printing and embroidery require the use of quality material, state-of-the-art technology and a skilled workforce who dedicates high attention to each stage of production. Our products include ready & custom made T-shirt (Polo T-shirt, Lacost t-shirt, Quick dry), F1 Shirt and uniform. We also a supplier of cap, towel, bag & others apparel.

We at **HEMIE EMBROIDERY**, here to provide you with all your designing needs. We offer quick, efficient, and reasonably priced embroidery digitizing. Our company is located in **PRETAMA COMPLEX, KUALA LUMPUR** and also covered other few outlets in Klang Valley. We have been involved in the embroidery industry since 2003 and have accumulated all the necessary experience to help you achieved the perfect embroidery. Even today, we continue to learn from our work and value our customer's feedback very highly, as it will only help us improve our service in the future.

Let us use our professional experience to make your order perfect!
